

Preliminary Program
CME Course “Leucoencephalopathies”
27-29 November 2007, Torino, Italy

TUESDAY 27 NOVEMBER

09:00 -	REGISTRATION	
	INTRODUCTION Day session Clinic, Radiology, CSF & Basic white matter pathology	
10.05-10.50	Clinical signs of white matter lesions.	Prof. Dr. A. Frederico
10.50-11.30	Neuroimaging of white matter disease in adults.	Prof. Dr. L. D’Incerti
11.30-12.10	General morphology of white matter disease.	Prof. Dr. W.F. Blakemore
12.10-13.00	Slide session, coffee, tea etc.	
13.00-14.00	L U N C H	
14.00-14.45	Autoimmune disorders I ; Demyelinating encephalomyelitis (perivenous, para-infections, postvaccinal, haemorrhagic, ADEM etc).	Dr. M. Vercellino
14.45-15.30	Genetics of white matter diseases	Prof. Dr. A. Brusco
15.30-16.30	Slide session: coffee, tea etc.	

WEDNESDAY 28 NOVEMBER

	Morning session: “Leukodystrophies” Hereditary forms	
09.00-09.40	Metabolic forms I; Lysosomal leukodystrophies: metachromatic leukodystrophy and globoid cell leukodystrophy	Prof. Dr. H.H. Goebel
09.40-10.20	Structural protein deficiencies I; Pelizaeus Merzbacher disease, Cockayne syndrome, Alexander disease, Leukodystrophies of unknown origin	Prof. Dr. B. Harding
10.20-11.30	Slide session, coffee & tea.	

11.30-12.00	Metabolic forms II; Peroxisomal leukodystrophy: Adrenoleukodystrophy and adrenomyeloneuropathy. Mitochondrial leukoencephalopathies and Canavan's disease	Prof. Dr. H.H. Goebel
12.00-12.30	Structural protein deficiencies II; Pelizaeus Merzbacher disease, Cockayne syndrome, Alexander disease, Leukodystrophies of unknown origin.	Prof. Dr. B. Harding
12.30-13.30	L U N C H	
	Afternoon session: "Encephalitides"	
13.30-14.00	Inflammatory forms I: PML, SSPE	Prof. Dr. F. Gray
14.00-14.30	Autoimmune disorders II ; Demyelinating encephalomyelitis (perivenous, para-infections, postvaccinal, haemorrhagic, ADEM etc)	Prof. S. Love
14.30-15.00	Slide session, coffee, tea etc.	
15.00-15.30	Inflammatory forms II; AIDS, Malaria & others.	Prof. Dr. F. Gray
15.30-16.00	Autoimmune disorders III; Multiple sclerosis and subtypes	Prof. S. Love
16.00-17:00	Slide session, coffee, tea etc.	
	D I N N E R	
	THURSDAY 29 NOVEMBER	
09.00 -09.45	Toxic forms: Carbon monoxide, Methotrexate and other drugs, Radiation, Central pontine myelinolysis.	Prof. Dr. S. K. Ludwin
09.45-10.30	White matter oedema; Trauma, Non-traumatic, Perifocal.	Prof. Dr. C. Smith
10.30-11.30	Slide session, coffee, tea etc.	
11.30-12.20	"Leukovasculopathies": CADASIL, Binswanger disease, Merosinopathy.	Prof. Dr. J. Mikol
12.30-13.30	L U N C H	
13.30-15.30	Slide session, final discussion & evaluation.
