

**Euro-CNS CME Course**  
**Muscle & Peripheral Nerve Pathology**  
Institut für Neuropathologie, Universitätsklinikum der RWTH, Aachen, Germany  
22-24 March 2017

## PRELIMINARY PROGRAM

### Wednesday 22 March

08.30-09.00	Registration	
09.00-09.05	Introduction	Prof. J. Weis
09.05-09.45	General symptomatology of muscle diseases including myoimaging and inflammatory myopathies	Prof. M. de Visser
09.45-10.30	General muscle pathology immuno & enzyme histochemistry and electron microscopy including artifacts	Prof. H. H. Goebel
10.30-10.45	Coffee Break	
10.45-11.30	Slide session	All
11.30-12.15	Molecular diagnostics in muscle pathology	Dr. H.B.I. Ginjaar
12.15-13.00	Muscular dystrophies, pathology and immune-/histochemistry	Dr. R. Phadke
13.00-14.00	Lunch	
14.00-14.45	Classical Inflammatory myopathies	Prof. E. Rushing
14.45-15.30	DNA repeat disorders of muscle and nerve	Dr. J. Reimann
15.30-15.45	Coffee Break	
15.45-16.30	Slide session	All
16.30-17.00	Mitochondrial myopathies	Prof. A. Oldfors
17.00-17.30	Slide session	All

## Thursday 23 March

09.00-09.45	Motor endplate myopathies/myasthenia, EM	Prof. J.P.Sieb
09.45-10.30	Muscle in rheumatic diseases, sarcoidosis, focal myositis and macrophagic myositis	Prof. W. Stenzel
10.30-10.45	Coffee Break	
10.45-11.30	Slide session	All
11.30-12.15	Congenital myopathies (1)	Prof. K. Claeys
12.15-13.00	Distal myopathies, protein aggregate myopathy, myofibrillary myopathies	Prof. R. Schröder
13.00-14.00	Lunch	
14.00-14.45	Next generation sequencing in the diagnosis of neuromuscular diseases	Prof. I. Kurth
14.45-15.30	Toxic myopathies	Prof. E. A. Aronica
15.30-15.45	Coffee Break	
15.45-16.15	Slide session	All
16.15-17.00	Metabolic myopathies	Prof. H. H. Goebel

## DINNER

## Friday 24 March

### Peripheral nerve pathology & skin biopsies for peripheral neuropathy

09.00-09.45	Sural nerve biopsy: indication and procedures; skin biopsy	Prof. J. Weis
09.45-10.30	Basic patterns of PNS damage and regeneration; neurogenic muscular atrophy	Prof. J. Weis
10.30-10.45	Coffee Break	
10.45-11.30	Slide session	All
11.30-12.15	Inflammatory neuropathies including vasculitis, dysproteinemia and amyloidosis	Prof. M. Lammens
12.15-13.00	Metabolic and toxic neuropathies	Prof. M. Lammens
13.00-14.00	Lunch	
14.00-14.45	Hereditary neuropathies	Prof. J. Weis
14.45-15.00	Coffee Break	
15.00-16.00	Slide session	All
