

EURO-CNS CME COURSE
Neurodegenerative Diseases
25-27 October 2017
Academic Medical Center, Amsterdam, the Netherlands
PRELIMINARY PROGRAM

Wednesday, October 25th

08.00 - 09.00	Registration
09.00 - 09.05	Introduction
09.05 - 09:50	<i>Neurodegeneration, general introduction (cellular pathology, biology & pathophysiology of neurodegenerative diseases)</i> Prof. Charles Duyckaerts (Paris)
09:50 - 10.30	<i>Approach to neuropathological diagnostics: Sampling, Morphology & immunohistochemistry, aspects of Brain banking.</i> Dr. Gabor G. Kovacs (Vienna)
10.30 - 10.45	Coffee Break
10.45 - 11.30	Slide session
11.30 - 12.15	<i>Motoneuron disorders</i> Prof. Paul Ince (Sheffield)
12.15 - 13.00	<i>Frontotemporal lobar degeneration with emphasis on non-tau subtypes</i> Prof. Manuela Neumann (Tübingen)
13.00 - 14.00	Lunch
14.00 - 14.45	<i>Alzheimer's disease</i> Prof. Charles Duyckaerts
14.45 - 15.00	Coffee Break
15.00 - 16.00	Slide session
16.00 - 16.45	<i>Synucleinopathies including Parkinson/Parkinsonism</i> Prof. Paul Ince

Thursday, October 26th

	Dementias
08.30 - 09.15	<i>Clinical classification of dementing disorders</i> t.b.a.
09:15 - 10:00	<i>Neuroradiology of neurodegenerative diseases</i> t.b.a
10.00 - 10.15	Coffee Break
10.15 - 11.00	Slide session
11:00 - 11:45	<i>Vascular dementia</i> Prof. Paul Ince
11:45 - 12:30	<i>Prion diseases</i> Dr. Ellen Gelpi (Barcelona)
12.30 - 13.00	<i>AD staging</i> Dr. Gabor G. Kovacs
13.00 - 14.00	Lunch
14:00 - 14:45	<i>Tauopathies: PSP and CBD</i> Prof. Tamas Revesz (London, United Kingdom)
14.45 - 15.30	<i>Tauopathies: AGD, Pick`s disease, globular glial tauopathies, MAPT mutations and other forms;</i> Dr. Gabor G. Kovacs
15.30 - 15.50	<i>Practical approach to diagnostics including comorbidity</i> Dr. Gabor G. Kovacs
15.50 - 16.00	Coffee Break
16.00 - 16.45	Slide session
16.45 - 17.30	<i>Genomic approach to neurodegenerative diseases (25 min)</i> <i>Neurodegeneration with brain iron accumulation as an example (20 min)</i> Dr. Henry Houlden (London)
20.00	Dinner

Friday, October 27th

09.00 - 09.45	<i>Hyperkinesia, clinical aspects</i> Dr. Fiorella Contarino (Amsterdam)
09.45 - 10.30	<i>Neuropath of hyperkinesia</i> Dr. Wilfred den Dunnen (Groningen)
10.30 - 10.45	Coffee Break
10.45 - 11.30	Slide session
11.30 - 12.15	<i>Cerebellar Ataxias, clinical aspects</i> Dr. Fiorella Contarino
12.15 - 13:15	Lunch
13.15 - 14.15	<i>Neuropath of ataxias & molecular biology of repeat disorders</i> Dr. Wilfred den Dunnen
14.15 - 15.00	<i>Overview of neurodegenerative conditions in childhood</i> Prof. Hans H. Goebel (Mainz/Berlin)
15.00 - 15.15	Coffee Break
15.15 - 17.00	Evaluation & Slide session
